

# 2023 DREAM BIG CAREER CAMP

## INFORMATION SESSIONS

Do you have a Deaf, Hard of Hearing, or Deaf-Blind student who is interested in pursuing post-secondary education or is unsure of their next steps after graduating high school?

Join the Dream Big team and current families to learn about our interactive Career Camp. This summer, your student will be able to interact with companies throughout the St. Louis area and learn what training and education they need to break into their career. We proudly introduce your student to companies that are already committed to hiring people with disabilities.

During this info session, we will also share how we can help your student and you during the academic year during Dream Big's year-round program!
